# Board of Directors (BoD)

## Principles underlying the voting procedure for members of the Board of Directors and their terms of office

The members of the Board of Directors of Vetropack Holding Ltd are each elected by the Annual General Assembly of Shareholders (AGA) on a yearly basis. Re-election is permitted. Each year, the AGA elects the Chairman of the Board of Directors and the individual members of the Nomination and Compensation Committee (NCC), who must be members of the Board of Directors, as well as the independent proxy. Their term of office shall end upon the conclusion of the next ordinary AGA. The BoD appoints the Chair of the NCC.

## BoD's duties

The BoD performs its duties as laid out in the Swiss Code of Obligations (CO), Art. 716a.

In addition, the BoD Chairman has the following main duties:

- Preparing and issuing the invitations to the AGA jointly with the CEO;
- Drawing up the agenda for BoD meetings, and issuing invitations and relevant documentation jointly with the CEO;
- Chairing the AGA and the BoD meetings;
- Monitoring the implementation of resolutions passed by the AGA and the BoD;
- In urgent cases, the BoD Chairman can conclude transactions that fall within the responsibility of the BoD by executive decision. Any such actions are communicated in writing to the members of the BoD without delay.

## Division of responsibilities between the BoD and the Management Board (MB)

Those duties which are not reserved for the BoD in accordance with Art. 716a, CO are delegated to the MB. This means that the MB can act freely within the guidelines laid down by the BoD, but is also fully responsible for the operational management of the Group.

## Working methods

In 2024, the BoD exercised its duty of oversight and supervision by receiving and discussing written and oral reports from the MB at five ordinary meetings (most of which lasted an entire day), and by taking decisions on any motions put forward. Five additional BoD meetings were conducted as video conferences. The Head Auditor was invited to the March meeting to disclose the results of the external audit. A two-day strategy meeting was held in August, and the results of the 2024 internal audit were discussed during the November meeting.

To prepare for BoD meetings, the BoD Chairman, the CEO and the CFO met regularly; on these occasions, they discussed operational topics, preparations for ordinary BoD meetings, and internal audit reports. The BoD was briefed regularly on the Group's commercial situation and planning by means of written monthly, semi-annual and annual reports together with the planning dossier at both company and Group levels (three-year plan). The Nomination and Compensation Committee (NCC) is responsible for reviewing the remuneration scheme for the BoD and MB. The working methods for the NCC are set out in the [Remuneration report](#). With the exception of the NCC, the BoD does not appoint any committees.

In his role as executive chairperson, the Chairman of the BoD sits on the supervisory bodies of all the operating companies. He participates in the steering committees for projects and initiatives of strategic importance. He also takes part in the annual management development reviews to discuss appraisals, continuing professional development and succession planning for management team members at all companies. He held thirteen meetings with the CEO in 2024 to monitor the management of business operations, discuss market trends and implement BoD resolutions.

The invitation informs shareholders of business items to be negotiated during the assembly, as well as motions proposed by the BoD and by shareholders who have requested that a business item be placed on the agenda. Extraordinary General Assemblies (EGAs) are convened as necessary and as defined by legal precedent. ## Auditors

Mandate: Ernst & Young Ltd has been the statutory and Group auditor for Vetropack Holding Ltd since 1995. The Head Auditor has been responsible for the auditing mandate since 2020. The Head Auditor is changed every seven years.

In 2024, Vetropack obtained offers from 4 auditing firms for the audit of the individual financial statements and the consolidated financial statements for the period 2025 to 2027. Based on the

offers submitted, the Board of Directors decided to continue to select Ernst & Young AG as auditor.

Fees: Ernst & Young Ltd invoiced the Vetropack Group CHF 0.5 million in the reporting year for auditing the individual financial statements and the Consolidated financial statements, together with CHF 0.0 million for other services. For the 2024 fiscal year, all affiliates of the Vetropack Group, except PrJSC Vetropack Gostomel, were audited by Ernst & Young Ltd.

Supervisory and control instruments vis-à-vis the External Auditors: at the ordinary November meeting, the BoD reviews the scope and key aspects of the external audit, including key issues regarding the audit of the internal control system for the current year. At the ordinary March meeting, BoD members are informed of audit results both in writing (Auditor's report, Group Auditor's report, Comprehensive Report) and verbally (the Head Auditor attends the BoD meeting). In February, the main points and results of audits carried out at subsidiaries are also discussed with the local auditors at the ordinary meetings of the governing body of each subsidiary. The Chairman of the BoD is present at these meetings. With the help of the above-mentioned information sources, the BoD assesses the performance and independence of both the statutory auditors and the Group auditors at its March meeting each year. The BoD also analyses the development of external audit costs (multiple year comparison) each year.
